SUMMARY

Dedicated Software Technology undergraduate with expertise in Web Development and Cloud Technologies. I am passionate about creating dynamic and efficient solutions and am eager to contribute my technical skills while gaining practical knowledge through an internship in an innovative organization. I aim to leverage my skills to support projects that drive technological advancement.

PROFESSIONAL EXPERIENCE

- MERN Web Developer | Freelance** **2020 - 2023**
I have worked as a freelance front-end web developer on Fiverr and Upwork, creating responsive and visually appealing websites for clients worldwide.
- Associate Store Manager | Teejay Lanka PLC** **2020 - 2021**
I worked as an Associate Store Manager at Teejay Lanka PLC in the mechanical store for 6 months. My responsibilities included managing stocks, coordinating with suppliers ensuring timely availability.

EDUCATION

- BSc in Information and Communication Technology** **2021.10 - Present**
Specialized in Software Technology
Faculty of Technology | University of Sri Jayewardenepura
- Google Digital Marketing Certification** **2021.07 - 2021.10**
Google Digital Garage | Credential ID: 7MB HCK BHB

PROJECTS

10+

Wamhands - A Disaster Management System

Developed using the MERN stack. Users can report incidents by providing detailed descriptions and photos. Once an incident is reported, verification is done by the admin. Following confirmation, email notifications are sent to users in the affected area.

Salon Appointment System

Developed using the MERN stack, the salon appointment system facilitates seamless scheduling for users and allows admins to view and manage all appointments from a centralized dashboard, enhancing user experience and improving administrative efficiency.

PRO SKILLS

- ReactJs | NextJs | CSS
- NodeJs | ExpressJs
- Javascript | Python
- MySQL | MongoDB
- REST | GraphQL
- AWS | GCP | AZURE
- Git | Github | Docker
- Flutter | Dart

SOFT SKILLS

- Problem Solving
- Communication skills
- Critical thinking
- Time Management
- Adaptability
- Detailed Oriented
- Collaboration
- Teamwork
